SUBJECT: PS Youth receives Community Grant from Best Buy Foundation

**PS Youth Outreach Center, Inc. (PS Youth) is proud to be a recipient of a 2014 Community Grant from Best Buy Foundation in the amount of \$6,000.00.** This grant was awarded in November, 2014 from the Community Grants program, in partnership with our local Best Buy store. The grant supports programs that give teens access to opportunities through technology and will be used to support the activities in our Making Our Resources Everlasting (M.O.R.E) Technology After-school program. Best Buy Foundation supports programs that help bridge the Digital Divide and help teens develop 21<sup>st</sup> century technology skills to prepare for college and careers. Since 1995, Best Buy has invested nearly \$300 million in communities nationwide.

About PS Youth:

PS Youth Outreach Center, Inc. (PS Youth), a non-profit community-based organization, has been providing services to the community since 2007. Since then, the organization has provided a variety of services to the communities served; primary services have been provided to the Lauderdale Lakes community (location of Center). Such services include: career development for students aging out of foster care; educational resources for younger youth, older youth, and their families; computer classes for youth and their families; and life skills resources for youth and their families. For 5 consecutive years, PS Youth has contracted with Florida Department of Education and the School Board of Broward County in the provision of Supplemental Educational Services. Over the years, PS Youth has helped over 600 youth to overcome barriers to success and has steadily earned an "Excellent" rating from Florida Department of Education.
